Online Resources

The Perry County Public Library offers access to several databases including:

MyHeritage Library Edition
MyHeritage Library Edition is one of the largest, most internationally diverse genealogy databases of its kind in the world. It includes billions of historical documents from over 48 countries, millions of historical photos, public records, indexes and additional resources. Available in 40 languages, MyHeritage Library Edition is the industry's most multilingual family history research database.

HeritageHub - Explore your family history with the
premier collection of U.S. obituaries and death notices for in-depth genealogical research from 1704 – today. HeritageHub helps you easily identify relatives, uncover new information and potentially unknown family members. Includes deep coverage from all 50 states, hard-to-find content from the mid 1900's, and original obituary images. Access is available 24/7.

Fold 3
Fold 3 features premier collections of original military records. These records include the stories, photos, and personal documents of the men and women who served in the military. Many of the records come from the U.S. National archives, The National Archives of the U.K. and other international records.

Ancestry
The Perry County Public Library is pleased to offer Ancestry to our patrons. Ancestry gives you access to the world's largest online history resource: billions of records with access to Family History, Family Trees, Genealogy Research, and Records Search.
